The tour starts with registration, a safety briefing and demonstration by the guides. After the formalities guests take a scenic guided drive into the mountain overlooking Cape Town. Travel via Chapman's Peak Drive.

Visit the penguin colony at Boulders Beach.

Continue to the Cape of Good Hope Nature Reserve. Indigenous fauna and flora are conserved in this priceless wilderness area. The scenery en route to Cape Point, at the South Western tip of the reserve, is particularly lovely in spring when wildflowers carpet the landscape. The new lighthouse – the most powerful in the world – beams an electric light of 19 million candle power across the ocean. Ascend to the top by Funicular.

Pass **Noordhoek beach** (time permitting).

Noordhoek Beach is over 8 km long, and is the most unspoiled and best protected on the Atlantic Cape coast. At one end it is defined by **Chapman's peak plunging** into the sea, and at the other, by the Kommetjie lighthouse. The beach is backed by National park-protected wetlands, and as a result is free of the urban sprawl that characterizes many other Cape Town bays.

Return to your hotel and spend the balance of your day at leisure.

DAY 7:

Breakfast at the hotel and check out.

You will be met by your driver & guide for a **Private Cape Winelands Tour**.

Get swept away by the overwhelming beauty of rolling vineyards and perfect blue sky. Start off with a visit to Paarl and the spectacular Paarl Valley.

This traditional Cape Dutch working wine and fruit farm is surrounded by the mountains of the Drakenstein valley. The garden is the pride and joy of this farm with only medicinal and edible plants. You will find yourself in a magical wonderland of indigenous herbs, 7000 clivias in spring, 48 pergolas of climbing roses and fruit trees. Visit the farm to pick your own salad, join in the grape picking or fruit packing, swim in the dam or taste the fine wine grown on the Simonsberg slopes, walk beside the stream or in the vegetable garden.

Continue to Stellenbosch.

The heart of South Africa's wine industry is a place of great beauty and culture that is steeped in South African tradition.

The Stellenbosch wine route is arguably the country's most famous, and the Stellenbosch Wine of Origin area includes 106 cellars.

The heart of the town lies amidst the oak-lined Dorp Street.

With its venerable old buildings, this is the University's main thoroughfare, where modern student life sits comfortably side by side with our history and architectural heritage.

Through the interactive programs offered to guests, awareness is spread to help conserve these birds for future generations. Our birds and animals are ambassadors for their species: giving you the never-to-be-forgotten opportunity to interact personally, up close, one-on-one with raptors and endangered species. A visit to Eagle Encounters is special for both adults and children. Who hasn't dreamed of meeting an owl in person, or handling an eagle?

Visit Spier Wine Estate for a chocolate & wine tasting.
